RE: **WRIGHT EXPRESS CARD EXPIRATION**

The current Wright Express cards will be expiring on September 30, 2016, for that reason all department and programs need to go to each Fleet service center depending on where each vehicle receives scheduled maintenance. The cards will become available September 19, 2016. Fleet WILL NOT be responsible for any transactions or reimbursement after the 30th of September if the new cards are not picked up. When picking up the new WEX card, please bring the old WEX card in exchange.

If you should have any questions please call (928) 871-6426
