**MEMORANDUM**

TO: **Branches, Divisions, Departments, & Offices**  
**NAVAJO NATION**

FROM:   
\_\_\_\_\_  
Pearl Lee, Program Manager I  
Navajo Nation Telecommunication & Utilities (NNTU)  
Division of General Services

SUBJECT: **Navajo Nation Wireless Service & Equipment Contracts**

Last month, on behalf of the Navajo Nation government, President Shelly signed contracts with Smith Bagley, Inc. aka: Cellular One of Northeast Arizona and Verizon Wireless. These two contracts secured government pricing for wireless phone service & equipment for an initial two year period beginning March 1, 2015 to February 28, 2017.

All Navajo Nation governmental offices are required to utilize these new contracts. No new procurement for services or contract renewals shall be allowed with any other provider including AT&T, Sprint, T-Mobile, NTUAW, or any other provider. On April 02, 2015, our office and each provider conducted open informational sessions at Navajo Nation Museum, Window Rock, AZ. Our presentation has been posted to our website.

Below are the Account Managers for each contract:

Brad Stephan, Business Solutions Sales Executive, Cellular One
