Financial protection that fits your needs!

Disability insurance — Helps replace a portion of your income to help make ends meet if you become disabled from a covered accident or covered sickness.

Accident insurance — Helps offset unexpected medical expenses, such as emergency room fees and deductibles that can result from a covered accidental injury.

Life insurance — Enables you to tailor coverage for your individual needs and helps provide financial security for your family members.

Cancer insurance — Helps offset the out-of-pocket medical and indirect, non-medical expenses related to cancer that most medical plans don't cover. This coverage also provides a benefit for specified cancer-screening tests.

Critical illness insurance — Supplements your major medical coverage by providing a lump-sum benefit you can use to pay the direct and indirect costs related to a covered critical illness.

Hospital confinement indemnity insurance — Provides a lump-sum benefit for a covered hospital confinement or outpatient surgery to help with co-payments and deductibles not covered by most major medical plans.

Dental insurance — Provides coverage for a variety of dental procedures, from routine cleanings to major services. Additional savings are available by visiting a network dentist.
