Navajo Nation Employees Can Make an Impact on the 2020 Census

The 2020 Census is an opportunity to provide a better future for our communities and future generations. By participating in the 2020 Census, you help provide an accurate count of American Indians and Alaska Natives. Your responses to the 2020 Census can help shape how billions of dollars in federal funds are distributed each year for programs and grants in our communities.

The 2020 Census is our count. Our responses matter. Regardless of age, nationality, ethnicity, or where we live, we all need to be counted.
